Board President

**JENNIFER MIYAKAWA**  
Vice President

**CHRISTINE HARVEY**  
Member

**CYNTHIA LINDSEY**  
Member

**DAVID COLLINS**  
Member

We are continuing to closely monitor the coronavirus (now named COVID-19) situation.

You may be aware that the disease has spread to other countries and the Centers for Disease Control (CDC) has issued new travel warnings with increased concern for South Korea, Japan, and Italy. Travel warnings for China have not changed, and the CDC has lowered their level of concern for travel to Hong Kong and Taiwan. Additional detail about these warnings can be found on the [CDC website](#).

The CDC also recently shared that the coronavirus almost certainly will begin spreading in communities in the United States, and Americans should begin preparations now. We are working with county school and health officials to establish protocols for schools in the event that coronavirus does spread in Stanislaus. More information will be shared as this plan develops. In the meantime, current information about the coronavirus is available on the [CDC](#) and [Stanislaus County Health Services Agency](#) websites.

As a reminder, if your child is sick, please keep them home from school. To help prevent the spread of respiratory viruses, including the coronavirus and flu, follow these important tips:

- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.

### ***Our Mission:***

*To provide a dynamic, broad-based education that prepares each child to be a contributing member of society.*

- Individuals with chronic health issues and/or individuals experiencing severe symptoms should be evaluated by a medical professional.
- Get vaccinated every year

Additionally, the California Department of Public Health does not recommend the use of face masks for general prevention and says that handwashing provides better protection from infectious diseases.

Sylvan Union School District will continue to monitor the situation and provide updates as necessary

Sincerely,

A handwritten signature in black ink that reads "Debra M. Hendricks". The signature is written in a cursive style with a large, stylized "D" and "H".

Debra M. Hendricks  
Superintendent
