What is LCAP?

Local Control and Accountability Plan

What role do counselors play in LCAP?

There are three goals in the Sylvan District LCAP. The third goal, Goal C, is focused on student, parent and community engagement. Three of our nine amazing counselors are here today to share with you the wonderful opportunities they are providing for your students in our schools.

LCAP Feedback from You!

The Local Control and Accountability Plan (LCAP) is our road map! It guides us in supporting our students and families. Your feedback is very important to Sylvan District!

What current programs, services & resources do you believe are critical to continue?

Are there programs, services or resources currently in place for our students that you would like to see eliminated or refined & why?

What new ideas would you like to recommend for programs, services & resources for our students, and why?
